1 U.S.C. § 1301(a)(10).

2       2. Defendant Lafferty's Pharmacy, Inc., P.S. ("Lafferty's") is a Washington  
3 state corporation having its principal business location in Seattle, Washington.

4       3. Lafferty's is an "employer" as defined in Section 3(5) of ERISA, 29 U.S.C. §  
5 1002(5).

6       4. Michael Lafferty is a resident of Washington State, the sole owner of  
7 Lafferty's, and owns the land upon which Lafferty's Pharmacy, Inc., P.S. operated.

8       5. This Court has jurisdiction over this action pursuant to Sections 4301 and  
9 4221(b) of ERISA, 29 U.S.C. § 1451 and 29 U.S.C. § 1401(b), respectively.

10      6. Venue is properly laid in this Court pursuant to Section 4301(d) of ERISA,  
11 29 U.S.C. § 1451(d), because the Trust is administered within this judicial district.

12                   **II. BACKGROUND**

13      7. The Trust re-alleges the facts set forth in paragraphs 1 through 6 above as if  
14 stated fully herein and further allege as follows:

15      8. The "plan year" of the Trust for purposes of Section 4205 of ERISA, 29  
16 U.S.C. § 1385, begins July 1<sup>st</sup> and ends the following June 30<sup>th</sup>.

17      9. Prior to August 2015, Lafferty's was obligated to make employer  
18 contributions to the Trust on behalf of certain of their employees under the terms of one or  
19 more collective bargaining agreements.

20      10. In August 2015, Lafferty's permanently ceased to have an obligation to  
21 contribute to the Trust.

1       11. In August 2015, Lafferty's had a complete withdrawal from the Trust for the  
2 purposes of Section 4203 of ERISA, 29 U.S.C. § 1383.

3       12. As a result of its complete withdrawal, the Trust determined that Lafferty's  
4 owes \$196,197.00 in withdrawal liability.

5       13. Pursuant to ERISA § 4219(c)(1)(B), the number of payments to pay off its  
6 withdrawal liability assessment were limited to 80 quarterly installment payments with the  
7 first payment due on June 1, 2016. By letter dated April 22, 2016, the Trust notified  
8 Lafferty's in writing of its withdrawal liability assessment and demanded payment in  
9 accordance with the installment schedule.

10      14. Lafferty's submitted a request for review of the assessment on June 7, 2016  
11 alleging that the amount of the withdrawal liability was limited under ERISA § 4225(a), the  
12 Trust had overstated Lafferty's "highest contribution rate" used in determining its annual  
13 withdrawal liability payment amount, and that the Trust "may have overstated" Lafferty's  
14 contribution base units.

15      15. On August 3, 2016, the Trust responded to Lafferty's request for review,  
16 denying that Lafferty's had identified a basis to modify or rescind its withdrawal liability  
17 assessment, and advised Lafferty's that it must initiate arbitration to resolve any dispute that  
18 it may have with the Trust's review within 60 days.

19      16. Lafferty's did not request arbitration in accordance with ERISA § 4221(a); 29  
20 U.S.C. § 1401(a).

21      17. Lafferty's made its first nine quarterly payments, but each payment has been  
22 made late. Lafferty's June 2016 payment was received five days late, its September 2016

payment was received 14 days late, its December 2016 payment was received 11 days late, its March 2017 payment was received 19 days late, its June 2017 payment was received 36 days late, its September 2017 payment was received 41 days late, its December 2017 payment was received 46 days late, its March 2018 payment was received 42 days late, and its June 2018 payment was received 4 days late.

18. Upon information and belief, Lafferty's sold its assets in 2015 and is no longer operating.

**CLAIM FOR RELIEF I**  
**THE TRUST'S DECLARATION OF AN INSECURITY DEFAULT**

19. The Trust re-alleges the facts set forth in paragraphs 1 through 18 above as if stated fully herein and further allege as follows:

20. ERISA § 4219(c)(5)(A)-(B) provides that in the event of a default, a plan sponsor may require immediate payment of the outstanding amount of an employer's withdrawal liability, plus accrued interest on the total outstanding liability from the due date of the first payment which was not timely made. For purposes of this section, the term "default" means- (A) the failure of an employer to make, when due, any payment under this section, if the failure is not cured within 60 days after the employer receives written notification from the plan sponsor of such failure, and (B) *any other event defined in rules adopted by the plan which indicates a substantial likelihood that an employer will be unable to pay its withdrawal liability.* See 29 U.S.C. § 1399(c)(5)(A)-(B) and 29 C.F.R. § 4219.31(b) (emphasis added).

1       21. The Sound Retirement Trust's Amendment to Withdrawal Liability  
2 Procedures and Policy (hereinafter referred to as "Withdrawal Liability Procedures")  
3 provides, in pertinent part, that the unpaid balance of withdrawal liability shall be  
4 immediately due and payable if an employer defaults on any payment of its withdrawal  
5 liability.

6       22. The Withdrawal Liability Procedures further state that the term "default"  
7 means events which the Trustees determine, in their sole discretion, renders the Trust  
8 insecure with respect to receipt of payment of the employer's withdrawal liability.

9       23. The Withdrawal Liability Procedures identify the following events, among  
10 others as rendering the Trust insecure with respect to receipt of payment of withdrawal  
11 liability:

12       ...

13       (2) the employer's failure or inability to pay its debts as they become due,  
14                  unless the employer can satisfy the Trustees that it has sufficient  
15                  assets to make its withdrawal liability payments when due;

16       (3) the cessation of all or substantially all of an employer's operations  
17                  and the employer does not provide adequate information that there are  
18                  sufficient assets to satisfy the assessment over the period of time for  
19                  which withdrawal liability payments are due to the Trust to the  
20                  satisfaction of the Trustees; or

21       ...

(6) the employer advises the Trust that it is financially unable to pay the assessment of withdrawal liability.

24. By letter dated April 10, 2018, the Trust requested Lafferty's to provide information within 30 days of the date of receipt of the April 10, 2018 letter to determine whether there is a substantial likelihood that Lafferty's will be unable to pay its withdrawal liability payments as they become due.

25. Lafferty's did not respond to the Trust's letter dated April 10, 2018 within 30 days of receipt of the letter.

26. Counsel for Lafferty's advised on June 15, 2018 that Lafferty's "had less than \$500 in the bank" and she informed the Trust that it "would be a challenge to collect" on a judgment if the Trust were successful in pursuing an "insecurity default."

27. On June 15, 2018, counsel for Lafferty's also provided Lafferty's 2016 tax return indicating that it had ordinary business income of -\$14,605 for the 2016 tax year.

28. Based on its own conduct and admissions, Lafferty's does not have sufficient assets to make its withdrawal liability payments when due.

29. Accordingly, the Trustees have determined that the Trust has been rendered insecure with respect to receipt of payment of withdrawal liability from Lafferty's.

30. Pursuant to ERISA § 4219(b)(5), Lafferty's owes the Trust immediate payment of \$197,928.58 in withdrawal liability. See 29 U.S.C. § 1399(b)(5).

31. Under the terms of the Trust Agreement and ERISA §§ 4301(b), 515, and 502(g)(2), Lafferty's is obligated to pay liquidated damages, interest, reasonable attorney's

1 fees, and costs and expenses of suit to be determined upon motions at trial. See 29 U.S.C.  
2 §§ 1451(b), 1145, 1132(g)(2).

3       **III. CLAIM FOR RELIEF II – CONTROLLED GROUP LIABILITY**

4       32. The Trust re-alleges the facts set forth in paragraphs 1 through 31 as above as  
5 if stated fully herein and further allege as follows:

6       33. Michael Lafferty was the sole owner of Lafferty's at the time of its  
7 withdrawal from the Trust.

8       34. Michael Lafferty owned, in his personal capacity, the real estate which was  
9 rented to or used by Lafferty's at the time of Lafferty's withdrawal from the Trust.

10      35. Michael Lafferty was operating as a "trade or business" by renting or  
11 allowing Lafferty's to use the real estate which he owned.

12      36. Michael Lafferty is in the same controlled group as Lafferty's due to  
13 common control.

14      37. Accordingly, Michael Lafferty is jointly and severally liable for the  
15 immediate payment of \$197,928.58 to the Trust in withdrawal liability because he is in the  
16 same control group as Lafferty's as defined by ERISA § 4001(b)(1). See 29 U.S.C.  
17 § 1301(b)(1).

18      38. Michael Lafferty is jointly and severally liable for the payment of liquidated  
19 damages, interest, reasonable attorney's fees, and costs and expenses of suit, to be  
20 determined upon motions or at trial, as provided by the terms of the Trust Agreements and  
21 Sections 4301(b), 515, and 502(g)(2) of ERISA, 29 U.S.C. §§ 1451(b), 1145, 1132(g)(2).

1                   WHEREFORE, plaintiff prays for judgment as follows:

2                   (a) For withdrawal liability to Sound Retirement Trust from Lafferty's  
3                   Pharmacy, Inc., P.S. in the amount of \$197,928.58 with interest thereon  
4                   determined in accordance with ERISA §§ 4219(c)(6) and 4221(b)(1). See 29  
5                   U.S.C. §§ 1399(c)(6) and 1401(b)(1);  
6                   (b) For withdrawal liability based on controlled group liability from Michael  
7                   Lafferty, jointly and severally, in the amount of \$197,928.58 with interest  
8                   thereon determined in accordance with ERISA §§ 4219(c)(6) and 4221(b)(1).  
9                   See 29 U.S.C. §§ 1399(c)(6) and 1401(b)(1);  
10                  (c) For attorney fees and costs, pursuant to ERISA § 502(g). See 29 U.S.C. §  
11                  1132(g); and  
12                  (d) For such other and further relief as this Court deems just and equitable.

13                  DATED this 22<sup>nd</sup> day of August, 2018.
